### Filming Completed

A big thank-you to everyone who helped host the filming of a short movie at the church on August 2. Fremont actor and director Asha Kelly rented the church to film portions of her debut work, *Governess*, a romantic comedy set in 1880s England. Sunol's Elliston Vineyards was also the setting for part of the film. We are hoping for a chance to view the finished product this fall.

### “Meet the Author” update

We enjoyed a very successful “meet the author” event on August 8. Doris Miller signed copies of her memoir, *Welcome to Luzon*, and donated the proceeds to the church. Several of Doris’s friends attended the worship service and the event. Barbara Egbert provided Filipino refreshments, including a homemade Malacañang cake and the surprise hit of the event: purple *ube* ice cream.

### **In-person Worship**

Out of an abundance of caution, we will suspend the sacrament of Holy Communion at least through the end of October. We will reevaluate the health situation then.

### **Keeping in Touch**

Since so many people who live at a distance deeply appreciated receiving the weekly email worship services during the pandemic, we will continue emailing the sermon during 2021 so that we can maintain this connection. Please let us know if you find this meaningful.
