Fund-raising effort

From Allen Cook, church council chair:

The church council will launch a major fund-raising effort in June. We are asking members and friends of the Little Brown Church of Sunol to make a special one-time donation to keep LBC going.

The congregation approved a deficit budget in January with the understanding that we would seek new sources of income to make up the \$10,000 shortfall. On top of that, our reserves have been used up on essential items such as repairing our two rental properties (the major source of our income) and reducing fire hazards around the church property as required by our insurance company.

More details will be included in a message in June. In the meantime, please consider how much you can donate this summer to make our church physically and financially secure.

Thank-you notes

A big thank-you to everyone who helped us serve refreshments at the May 21 matinee performance by Sunol Repertory Theater. Along with providing water, popcorn, and cookies to the large crowd, we received almost \$200 in donations.

Another big thank-you to Leonard Marquez, who loaned us his LEGO model of our church for several months. It's gone now, but you can still see a photo at our website: <https://thelittlebrownchurchofsunol.org/>.
