Thanks for flowers, plants, and gardeners

Many thanks to everyone who provided flowers for the altar on Easter Sunday and for everyone who has helped clean up and plant new flowers in our outdoors areas.

News from Malary

Our long-time member Malary, now living in Montana, let us know that she has completed her cancer treatment and is now cancer-free. We join Malary in thanksgiving that this long journey since her cancer diagnosis in November 2021 has ended successfully!

Letter from Heidi

The Little Brown Church is continuing to support a young girl in Honduras named Heidi. We recently received a letter from her, translated by Proyecto El Refugio, the organization which works with her and other children.

Her letter begins *Queridos padrinos* (*padrinos* is a Spanish word meaning both godparents and sponsors).

Her letter in translation reads:

It is a great pleasure to have this opportunity to say hello and at the same time to wish you many blessings from our Lord. I hope you are doing well.

I am in the ninth grade. I am doing well at school. My scores are good. Mathematics is my favorite subject. I like to study hard and seriously to get high scores always.

I am blessed with dancing skills! In the evenings I listen and follow *alabanzos* (Christian songs of praise) with my grandmother by my side.

Thank you very much for the hope you have given me. It has brought a lot of happiness to my young life.

I say goodbye with much love.

Blessings,

Heidy
